**AFFIDAVIT FOR FEDERAL BUREAU OF INVESTIGATION  
REQUESTING PROOF OF PROBABLE CAUSE**

---

**(1) COMES NOW, AbdulKhabir Wahid in propria persona making a Special Appearance.**

I am in receipt of this Court Order denying my claim of Lack of Probable cause as far as this case is concern.

(2 ) In reflecting on Magistrate Eileen S. Willett statements in the order it is obvious clear and apparent that this Court isn't not impartial and it holds prejudice for the United States. [ After all United States does sign her paycheck]

(3) My reasons for making such accusations are the following you ( Eileen Willett) stated in the order that and I quote " Probable Cause to search the property described and seize items listed within the application was found based upon the sworn affidavit of the signing FBI officer" .

(4) You also stated " No factual or legal basis has been shown for the Court to retroactively dismiss its finding of probable cause and the fully executed Search and Seizure Warrant.

(5) In essence as far as this Court is concern probable cause was established when the FBI signed a sworn statement that such cause did exist.

(6) Also you (Eileen Willett) stated that " no factual or legal basis has been shown" however if I'm correct I rendered to you the Law explaining why I had a right to this claim.

(7) So since the Court has basically placed the burden on the FBI then I propose and address the FBI with the following questions they are as follows.

(8) AS stated in the Application for a Search Warrant based off your findings and according to Federal Rule Of Criminal Procedure Rule 41

- A. Please state and indicate was there evidence of a crime found in the home ?
- B. Was there contrabands, fruits of crime, or other items illegally possessed that were found in the home ?
- C. Did you find property designed for use , intended for use, or used in committing a crime within the home?
- D. More importantly Did you find any violations of 18 U.S.C. section 241 Conspiracy Against Rights within the home ?
- E. Also please indicate any property that was seized that was placed on the inventory list that proves that there was a violation of the laws of the United States particularly Federal Rules of Criminal Procedure Rule 41 and 18 U.S.C section 3103(a).

( 9) Please also note I have enclosed a copy of the Search Warrant Inventory List.

(10 ) Please take considerable precautions on how you answer these questions in this Affidavit because as you stated in your search warrant you were sworn to TRUTH and under oath and therefore you must remember you are UNDER PENALTY OF PERJURY.

(11) In closing I request that the FBI respond to my Affidavit within fourteen (14) days Upon receipt of this Affidavit.

(12) Should I not receive a timely response from your agency it will be presumed that Your agency has acquiescence which will be graciously accepted.

(13) And that this document will be deemed true in law which is because of no Response No Probable Cause.

(14) More importantly correcting the Magistrate it was not the United States of America which is the Country who sought the warrant after me rather it was The "UNITED STATES" the Corporation
